Iraq - Karbala

## EDUCATION

### Master's Degree in Biology

Karbala University

2014 – 2017

### Bachelor's Degree in Biology

Karbala University

2010 – 2014

## PARTICIPANTION:

- Conferences: 12
- Courses : 88
- Workshops : 75

## SKILLS

- Microsoft Office programs
- Photoshop, Lightroom Design
- Hematology Techniques

## LANGUAGE

- English
- Arabic

## Experience

2023 – Till now

University of Warith Al-Anbiyaa

- Teaching Practical Medical Physiology Physical therapy in Lab
- General English Language lessons for the Biomedical Engineering students.

2019 – 2021

University of Al Zahraa for Women

- Teaching Practical Medical Physiology Physical therapy in Lab.
- Teaching Practical Anesthesiology Biology in Lab.

2017 – 2019

Al - Zahrawi University College

- Teaching Practical Hematology in the Medical Technology Lab.
- Teaching Practical Physiology in the Medical Technology Lab.

# LETTER OF RECOMMENDATION

## To whom it may concern,

I am writing to express my enthusiastic endorsement of Mr. Hussien Hazim Al-Ghanimi for the PhD program in Physiology at your esteemed university. Mr. Al-Ghanimi possesses a remarkable combination of academic expertise, leadership experience, and a strong commitment to professional development, making him an ideal candidate for your program.

Mr. Al-Ghanimi currently serves as the Head of the Quality Assurance Department at the University of Warith Al-Anbiyaa, demonstrating his dedication to high educational standards. His prior experience as a National Inspector, Head of the IELTS Courses Center, and lecturer at various colleges further solidifies his academic background and passion for education.

Beyond his academic achievements, Mr. Al-Ghanimi boasts proven leadership skills. He has led multiple teams successfully, showcasing his ability to motivate and collaborate effectively. Additionally, his experience as a Lead Auditor for IRCA-UK and his successful implementation of ISO standards highlight his comprehensive understanding of quality management principles, a valuable asset to any research team.

Mr. Al-Ghanimi's commitment to professional development is truly commendable. He actively seeks opportunities to improve his knowledge and skills, particularly in English language teaching and assessment. This dedication to staying current with industry trends ensures he can contribute valuable insights and expertise to any academic environment.

Mr. Al-Ghanimi's exceptional leadership qualities, proactive nature, and dedication to lifelong learning make him a truly exceptional candidate for your PhD program. I am confident that he will excel in his studies and contribute significantly to the intellectual community.

Please feel free to contact me if you require any further information.

Sincerely,

**Pro. Dr. Ibrahim Saeed Gataa**

University of Warith Al-Anbiyaa President

## LETTER OF RECOMMENDATION

---

### To whom it may concern,

It is with immense pleasure and pride that I recommend Mr. Hussien Hazim Al-Ghanimi for your esteemed university's PhD program in Physiology. As his former professor at University of Kerbala during his bachelor's and master's studies, I have had the privilege of witnessing his intellectual growth and unwavering dedication to excellence firsthand. Even after his graduation, I have remained in touch and been consistently impressed by his remarkable achievements and continuous professional development.

From the very first day in my class, Mr. Al-Ghanimi stood out as an exceptional student. His thirst for knowledge, coupled with his sharp intellect and meticulous work ethic, saw him consistently exceed expectations. He was not only a diligent learner but also an active participant, stimulating discussions with insightful questions and engaging presentations. His passion for physiology was evident in every interaction, and his research projects demonstrate a depth of understanding and analytical prowess beyond his years.

Mr. Al-Ghanimi's leadership abilities were equally impressive. He naturally assumed the role of team leader in group projects, inspiring his peers with his clear communication, organizational skills, and collaborative approach. His current position as Head of Quality Assurance at the University of Warith Al-Anbiyaa exemplifies his ability to lead effectively and implement high standards in a demanding environment.

What truly sets Mr. Al-Ghanimi apart is his unwavering commitment to continuous learning and professional development. He actively seeks opportunities to expand his knowledge and refine his skills, as evidenced by his pursuit of various professional qualifications and involvement in workshops and conferences. This dedication to self-improvement ensures he remains at the forefront of his field and brings invaluable expertise to any team.

Mr. Al-Ghanimi's exceptional academic record, proven leadership skills, and genuine passion for Physiology make him an ideal candidate for your PhD program. His unwavering dedication to learning and his track record of success guarantee that he will thrive in your challenging academic environment. He is not only a valuable asset to any research team but also an inspiration to fellow students and faculty alike.

I have no doubt that Mr. Al-Ghanimi will excel in your program and make significant contributions to the field of Physiology. I wholeheartedly endorse his application and encourage you to consider him for admission.

Please feel free to contact me if you require any further information.

Sincerely,

**Prof Dr Wafaa alwazni**

University of Kerbala
